

General Disclaimer: QwickRoute is a product offered by MCAP LLC (“MCAP”), a broker-dealer and member of FINRA and SIPC, doing business as (DBA) QwickRoute. The information and services provided through QwickRoute are not intended to be, and should not be construed as, investment advice or a recommendation to buy, sell, or hold any security or investment strategy. You should make your own independent evaluation before conducting any transactions.

FINRA and SIPC Membership: MCAP is a member of the Financial Industry Regulatory Authority (FINRA) and the Securities Investor Protection Corporation (SIPC). Membership does not imply a certain level of skill or training on the part of MCAP or its representatives. The SIPC protection is limited and does not protect against the loss of market value of securities.

Clearing and Settlement: All clearing and settlement of transactions executed through QwickRoute is conducted through MCAP's broker-dealer clearing relationship. While we aim to ensure the efficiency and reliability of these services, MCAP cannot guarantee complete accuracy or timeliness.

Algorithmic Trading: QwickRoute employs algorithmic trading strategies. While these strategies aim to enhance the efficiency and potential profitability of trading, they also carry risks, including the possibility of system failure, incomplete or incorrect data analysis, and unforeseen market fluctuations.

Risk Disclaimer: Trading and investment carry a high level of risk and may not be suitable for all investors. Past performance is not indicative of future results. You could lose some or all of your initial investment. Consider your risk tolerance and financial situation before making any investment decisions.

Regulatory Compliance: QwickRoute and MCAP are subject to the rules and regulations of all applicable regulatory bodies. We strive to comply with all applicable laws and to conduct business in an ethical and responsible manner.

Payment for Order Flow: QwickRoute, as a product offered by MCAP, may receive remuneration in the form of payment for order flow from liquidity providers. This means we might receive compensation for directing order flow to specific trading venues. While this practice is intended to result in favorable execution prices, it could potentially create a conflict of interest.

Third-Party Technology Disclaimer: QwickRoute, as a product offered by MCAP, is not responsible for any performance or communication issues relating to any third-party technology, including but not limited to order management or portfolio management systems. While we endeavor to ensure our product integrates smoothly with these systems, we do not control and therefore cannot guarantee their reliability, functionality, or ongoing compatibility. Users should ensure they have adequate contingency plans in place for any disruptions that might occur.

FINRA Broker Check Program: As a FINRA member firm, MCAP is required to notify our customers about the availability of information through the FINRA Broker Check program. The Broker Check program allows you to check the professional background of current and former FINRA-registered brokerage firms and brokers. To obtain more information about this program, you can request a brochure or access FINRA Broker Check at www.finra.org. Alternatively, you can call the FINRA Broker Check Hotline at 1-800-289-9999.
